Privacy Policy
Updated 20 April 2020

Definitions:

In this document the term ‘you’ refers to you the user of the website when you visit the site.

1. Information that is collected

When you fill out the contact form on the website, certain information will be collected about you.

This information includes your name, email address, company and reason for contacting. No more information than is necessary is collected, and it will only be used to respond to you regarding your query.

Your contact information will be stored. If you’d like your contact information to be deleted, please email with the subject “DELETE CONTACT INFORMATION” and your information will be permanently deleted, you will receive confirmation when your request has been processed.

2. How is my personal information stored?

This website is hosted on the wix.com platform. wix.com provides tools and services that allow interaction with customers. Your data may be stored via wix.com's storage and databases. They store your information on secure servers, employing the use of a firewall.

You email address will be kept stored locally, making it easy to contact you.

3. How will you communicate with me?

Your email address is the only method you will be contacted on. You will not receive marketing emails from Speedbrake Pictures, your email will only be used to respond to you about your reason for contacting.

4. Cookies

When you visit SpeedbrakePictures.co.uk cookies are used to give you a better user experience. These are the cookies that are stored on your computer when you visit SpeedbrakePictures.co.uk:
